

To Whom It May Concern:

I would like to make an official complaint regarding Sinclair Broadcasting. The decision to force their stations to air an anti-Kerry documentary is both poorly timed and totally one-sided. With no anti-Bush documentary being required to air, this seems to be an intentional abuse of media influence.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. I expect the FCC to enforce and uphold this law.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
